## TRW MAGIC VINYL REMOVER - *Dangers and Precautions*

**DIRECTIONS:** Unscrew spout cap. Puncture center of white plastic seal. Replace spout cap and remove red tip. Use in well ventilated area. Avoid all sources of ignition. Do not use on acetate fabrics. Turn garment inside-out and apply a few drops of solvent to underside of letter. Stretch or pull the area of the mistake. This will release the bond. Peel off letter. Remove any residual from the front of the garment using a rag with Magic Vinyl Remover. This product is not for use in electric equipment.

**DANGER:** Highly flammable liquid and vapor. Causes serious eye irritation. May cause respiratory irritation. Keep container tightly closed. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Wear protective gloves/protective clothing/eye protection. Use explosion-proof electrical/ventilating/lighting equipment. Take precautionary measures against static discharge. Use only non-sparking tools. Wash hands thoroughly after handling. Avoid breathing gas / mist / vapors / spray. Use only outdoors or in a well-ventilated area. In case of fire, use dry chemical to extinguish. Store in a cool/well-ventilated place. Dispose of contents/container according to local, state and federal regulations. Store container tightly closed in well ventilated place – if product is as volatile as to generate hazardous atmosphere. Store locked up.

### FIRST AID

**IF INHALED:** Remove victim to fresh air and keep at rest in a position comfortable for breathing. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Get immediate medical attention.

**IF ON SKIN (or hair):** Remove/take off immediately all contaminated clothing. Rinse skin with water/shower. Seek medical attention if irritation persists.

**IF IN EYES:** Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Seek immediate medical attention.

**INGESTION:** If swallowed, DO NOT induce vomiting. Seek immediate medical attention. Call a physician, hospital emergency room, or poison control center immediately. Never give anything by mouth to an unconscious person.
